AMENDMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This Amendment is submitted in response to a non-final office action in the above case dated February 14, 2006, in which the Examiner objected to the drawings and a claim and rejected all the claims as obvious (35 U.S.C. §103) over cited art. Applicants have amended the Specification and claim to overcome the objections. Applicants traverse the prior art rejections and submit that all pending claims 1-34 are in condition for allowance for the reasons discussed herein.

Amendments to the Specification begin on page 2.

Amendments to the Claims are reflected in the listing of claims which begins on page 3.

Remarks/Arguments begin on page 11.
